1. New Rule Proposal: (Has posted for 30 days)

- I would like to add the following wording to the "Loss of privileges" section, item #14...This would be placed in front of the sentence that begins : "If the fine is found to have been assessed in error....etc."
- (Add:) The contestant's grievance will be heard by a 3 member panel to include the President, Vice President and the Judging Director. If one member of the panel is absent or is the individual who assessed the fine, then a substitute will be chosen from the board of directors present. The contestant will be given sufficient time to state their case and the ruling of the grievance panel is final.
- **MMS to approve above rule Dustin Schilling/JoJo Varn (Motion carried.)**

Finals: Toby Boeta, Mike Grinager, Heidi Gunderson, Greg Caron, Jamie Johnson

- Toby Boeta spoke with some photographers, waiting on bids
- MMS Karl Johnson/Toby Boeta to hire Jesse Knutson as Finals Announcer for \$800 with hookup and stall
- Funnyman: Contacting and accepting bids

UNFINISHED BUSINESS:

1. Western Wishes

- Rex Kent came and put on a presentation about Western Wishes.
- Possibility for us to partner with Western Wishes (a 501c3). We can help them by inviting them to our events, introducing kids to the cowboys, possibly helping with funds from one our events. In return we have partner with them to receive donations through a 501c3.
- Maybe to work with the Clearwater committee to have a Western Wishes day.
- Mike Grinager and Rex Kent will work together to come up with ideas on how to partner.

2. O40 Calf Roping:

- Proposal from Terry McCutcheon:
- Proposal number 1.) For each of the rodeos that don't have an over 40 roping, allow the over 40 members to enter the open tiedown. Their placing relative to other over 40 members in the contest will determine the points they receive. One of my questions would be how hard is it to get the total event placing like the MRA displays for their rodeo results. How much of a burden does this put on the points secretary and the association secretary?
- Proposal number 2.) Have the option to hold an over 40 tiedown event in place of the ones that are not held. These events would be held the same weekend and in the area that the MRA 2nd approved rodeo is taking place. This would allow contestants to work other events in the rodeo. The event coordinator would be responsible for the location, cattle, judges, results etc. The thought behind these proposals is to give the over forty guys an opportunity to compete for points

on an equal basis in regard to the AA standings and to compete in as many rodeos as the rest of the membership.

- The board discussed it and did not feel that proposal # 1 would work at this time because we are unable to designate at entries whether you are entering O40 or open and some cowboys do enter both throughout the season. (The SDRA and Midwest entries do not acknowledge or ask for designation of event)
- The board would like to see what ALL the Over 40 Calf Ropers feel about the proposals.
- How would the points work? Would there be bonus points for money as well? Or only points for placing? MMS JoJo Varner/Heidi Gunderson to table proposal number 1 until these questions are answered and an option that would work regarding these concerns is brought back to the board.
- The second proposal does not work because as a SDRA/MRA approved rodeo there is not a rulebook to follow as the SDRA does not have a rulebook that contains Over 40 Calf Roping. Therefore, we would have to make it an MRA 1st approved Over 40 Calf Roping jackpot and our association does not want to open up the border so that the over 40 calf ropers do not have to come across to compete at our MRA first sanctioned rodeos to be eligible for the finals.
- MMS Dustin Schilling/Emmett Davis to not accept proposal number 2. (Motion carried) 1 opposed.
